THE VENUE · YOUR VISION

Your Suppliers. Our Space.

Some couples know exactly how they want their day to look — and they've already found the photographer, the florist, the band. For them, the "Build Your Own" option at Ruckland Rooms is the perfect fit.

You hire the room, you book the bar, you use our kitchen if you need it — and everything else is entirely in your hands. Tracy is still here to guide you through the process, but the creative control is yours.
