A NOTE FROM US

# We Take Care of the Details.

When a family needs to come together, the last thing anyone should be thinking about is the catering. The menus in this brochure are our standard offering for funeral receptions and memorial gatherings. Every item can be adjusted — please ask Tracy if you'd like anything changed or if you have specific dietary requirements.

Rooms are available on a half-day or full-day basis. We understand that arrangements sometimes need to be made at short notice. Please don't hesitate to call.
